A MESSAGE FROM PREMIER DOUG FORD

I want to extend warm greetings to sports fans attending the 2018 Wu Lin Feng (WLF) East-West Kickboxing Return Battle.

Kickboxing is an exciting sport that has gained a large following across the globe. Many people have embraced it to stay fit or for self defense. Many more enjoy it as a spectator sport.

A big round of applause goes out to all the fine athletes who are participating in today's match. I know it takes a lot of discipline, talent and hard work to be where you are today. Your talents and skills have helped make kickboxing a worldwide hit. To the Canadian athletes taking part today, I wish you good luck. I know you'll make us proud.

Thanks to Xinflix Media for bringing us this event. This is a great opportunity to reinforce the cultural and athletic exchange between China and Canada. Events such as this also help cement Ontario's reputation as a world-class entertainment and sports centre.

I hope you all have a great time at this exciting competition!
