

ON BEHALF OF YOUR UNIONVILLE COUNCILLOR

I wish to extend my best wishes on all watching and participating in the 2018 WLF East-West Kickboxing Return Battle. Since its beginnings Markham the capital of technology in the GTA has been instrumental in promoting this sport.

The City Of Markham took great pride on July 18, 2017 on making the WLF an annual sport of this great City we call Markham.

I wish to commend all of our Canadian athletes on your exceptional skill set and combat techniques. Good Luck on your matches!
