

MESSAGE FROM COUNCILLOR KAREN REA

I am pleased to support the 2018 WLF East-West Kickboxing Return Battle at the renowned Pan Am Centre in the City of Markham on October 13, 2018 organized by Xinflix Media.

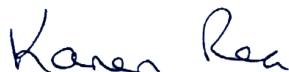

The competition has achieved increasing audience share through satellite and cable television programs in China and has expanded across the globe. Thank you to Xinflix Media for promoting the friendly sport of Kickboxing, an opportunity for athletes to compete in this field and encourage people to live a more active lifestyle.

This is a symbolic milestone in the history of Canada-China cultural and sports exchange for athletes.

I attended the WLF East-West Kickboxing return battle in China, December 2017 and look forward to another action packed evening. Congratulations on your vision to bring this competitive sport to the City of Markham and for broadcasting this event to Canada, China and the world.

Good Luck to all the athletes!

Sincerely,

A handwritten signature in black ink that reads 'Karen Rea'.
